

Product Name

TL04514RGB---- : 14.4W/M RGB 5 Meters

Product Specification

Voltage: 24V DC
 Length: 5 meter/roll
 Power: 14.4W/M
 LED Type: SMD5050
 LED Qty : 60 LEDs/m
 Lumen: 6-7lm/LED
 Dimension: 500cm length 1cm width
 IP Rating: IP68

Environment Specification

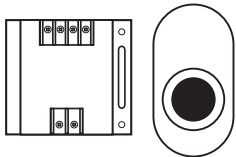

Operating Temperature: -25°C ~ 40°C

Product Features

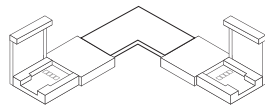

- Able to use multiple units on the same driver
- Cuttable and Bridgeable
- Maintenance Free
- Environmentally friendly
- No UV or IR Radiation
- Extensive range of applications

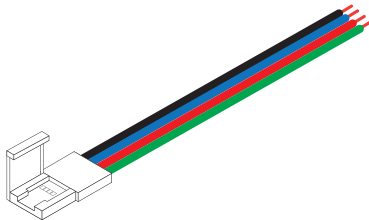

Product Accessories (Not Included)

CTTL02RGB----
LED Controller + Remote Control

CNTL04-----
Angled Female to Female Connector

CNTL05-----
Female to 4 Wire
